High-Definition is great for television but it scares the daylights out of actresses over 35. Fear of the unforgiving lens has them screaming behind the scenes, "Make me look younger." As one of the leading makeup artists in show business, Rachel has to deal with the panic and anxiety among older actresses who must face a high-definition camera. She's become an expert in performing minor miracles. Some transformations can take hours, but when everything depends on Rachel's ability to work fast, she reaches for a secret weapon in the bottom drawer.

Rachel has found that the fastest way to minimize the visible appearance of wrinkles—even the most stubborn ones—is with **Hydroxatone® Instant Wrinkle Filler**. That's why it goes with her on every job and never fails when called on to help leading ladies get ready for their close-up... even in high-definition.

## 98% of Women Are Raving That It Really Works

But it's not only Rachel who believes in the magic of **Hydroxatone® Instant Wrinkle Filler**. In all of the years of market testing, we've never had a product test as high as 98%. But seeing is believing! Once the women who participated in the test saw how amazing they looked they didn't want to give back their trial supply.

## Developed by a Surgeon

Endorsed by one of the country's top plastic surgeons, and previously available only through plastic surgeon's offices, **Hydroxatone® Instant Wrinkle Filler** is available for the very first time in small quantities to the public. Finally, the same smoothing power that makes women look younger in front of the camera can do the same for you in your own bathroom mirror!

## Immediately Visible Results

You don't need to wait long to look younger. The silicone micro beads in **Hydroxatone® Instant Wrinkle Filler** trigger an immediate and significant optical wrinkle elimination. The super-hydrating ingredient, Hyaluronic Acid, rapidly plumps up lines from the inside. Just smooth the filler into your laugh lines, crow's feet or even depressed scars for instant results. Wrinkles are gone, even in close-up situations.

Additionally, the breakthrough ingredients in **Hydroxatone® Instant Wrinkle Filler** help reverse the premature aging of the skin, while helping to minimize the damaging effects of stress and the environment.

## A Safe, Painless Alternative to Surgery and Botox

Even though Los Angeles has been called "The Face-Lift Capital of the World," there are still some celebrities who'd rather avoid the pain and complication of cosmetic surgery. Even though they can well afford it, they'd rather skip the uncomfortable side effects that go with along with surgery and even Botox® injections.

## Years Disappear in Minutes

With a simple topical application of **Hydroxatone® Instant Wrinkle Filler**, you can avoid potential painful side effects from Botox® injections and see instant results in the fight against unsightly deep lines and wrinkles. What's more, **Hydroxatone®** can be applied to all areas of the face, neck, and body—not just to "crow's feet" around the eyes.

The **Hydroxatone®** anti-aging system was developed in conjunction with a top board certified plastic and reconstructive surgeon. He is an internationally recognized expert on plastic surgery, publishing over 20 articles, books and textbook contributions.
